Notes	<p><u>Additional Notes</u></p> <p>1. Lippincott's Biochemistry is listed twice since it is required by 2 courses. The 7th edition can work for both courses. The 6th edition is ok for Molecular and Cellular Biology but not for Biochemistry.</p> <p>2. As a Touro student you will have access to the ebooks and on-line resources within the user limitations indicated above.</p> <p>3. You do not need to purchase either the Robbins or Harrison's textbook for Biochemistry. The use of the Touro library holdings for these texts will be sufficient for the course.</p>
