

Element 5.3.1&2 - Safety, Health, and Wellness: Policies and Procedures (with Links)

A COM must publish and follow policies and procedures that effectively mitigate faculty, staff, and student exposure to infectious and environmental hazards, provide education on prevention of such exposures, and address procedures for care and treatment after such exposures. A COM must also publish and follow policies related to student, faculty, and staff mental health and wellness and fatigue mitigation.

Provide the policies and procedures addressing safety and health issues.

Provide a link to where the documents are published.
